**XOOM Energy Continues East Coast Expansion**

Charlotte, NC, August 6, 2013: The expansion of XOOM Energy continues at a rapid pace, putting the company in 50+ markets in 15 states. XOOM is helping more customers than ever before in Delaware, Maine, Maryland, New York and Pennsylvania beat the heat with competitive rates on energy services.

Delmarva (DE and MD), Bangor-Hydro Electric (ME), Central Maine Power (ME), Duquesne Light (PA) First Energy – Met Ed (PA), First Energy – Penelec (PA) and Peoples Gas (PA) consumers can now choose XOOM Energy as their provider for energy services in residential and commercial settings. Consumers in Maryland, New York and Pennsylvania are now able to purchase both electricity and natural gas services, providing one-stop shopping for their homes and businesses.

Customers have a choice of plans that fit their budget and needs. Those that want to know the price of their energy long term can lock in their rate with a fixed rate plan, while those who prefer more flexibility can choose a variable rate plan that takes advantage of market-based prices. “We’re approaching the warmest time of year”, states Bob Blake, Chief Operation Officer. “Fortunately, switching to XOOM Energy is simple and fast so our customers can rely on us to cool their homes and businesses.”

Shoppers are encouraged to visit XOOM’s website, [xoomenergy.com](http://xoomenergy.com) and view the products, services and rates available in their markets. The simplified, secure, online process is equipped with all the tools necessary to complete enrollment in minutes, saving time in addition to dollars.
