

# Product Offerings

## FIXED RATE PLANS

Peace of Mind, Guaranteed

- Consumers are protected from fluctuating energy costs by locking in an energy rate for a specified contractual period
- Fixed rates never change for the duration of a consumer's contract
- Various contract terms are available depending on market

## VARIABLE RATE PLANS

No Long-Term Commitment

- Consumers enjoy the flexibility of market-based prices and energy rates that vary month to month
- With no long-term service agreements, consumers are free to change their energy plans whenever they choose without cancellation fees

## RENEWABLE ENERGY

Clean, Green Energy

- XOOM Energy, LLC SimpleClean product promotes a cleaner environment by utilizing natural, sustainable resources to power homes and businesses
- Help reduce carbon emissions by signing up for TruEco. XOOM Energy will purchase Carbon Offsets on behalf of consumers to ensure that the equivalent of the carbon emissions caused by natural gas consumption is offset

## CAUSE-RELATED PRODUCTS

Do your Part

- XOOM Energy is on a mission to end pet homelessness and has teamed up with **PetSmart Charities** to offer **RescueLock**, a fixed rate plan that **donates 5% of monthly energy charges** to helping the 7 million estimated pets in shelters find forever homes\*
- XOOM Energy is on a mission to help improve the health of children. That is why we have partnered with **Driscoll Children's Hospital**. Driscoll cares for more than 100,000 children every year from 31 South Texas counties. When you enroll in the MiraclePower fixed rate plan, **5% of your XOOM Energy Texas charges will be donated** to help support Driscoll's mission\*\*
