

As the Texas summer heats up and electric bills rise, you might need help from our state’s Comprehensive Energy Assistance Program (CEAP) administered by the Texas Department of Housing and Community Affairs. Qualifying customers can receive up to \$1,200 to help with their utility bills. If you’re interested, please call 1-877-399-8939 and get connected with your local CEAP administrator. **Please be aware that before assistance may be provided, individuals must meet specific eligibility requirements, and assistance may only be available pending funding.**
