End of Contract

If you have a fixed duration contract that will be ending, or whenever

| | XOOM want to change the contract, you will receive two separate notices before the contract ends or the changes happen. You will receive the first notice 45-60 days before, and the second notice 30 days before the expiration date or the date the change becomes effective. These notices will explain your options. If you do not cancel the contract or switch to another provider before the expiration of your contract, your service will continue at the price and contract duration indicated in the second notice. |
