

## XOOM Energy Georgia, LLC Fixed Price Plan (SureLock 12) Disclosure Statement

This document provides general information about the price plans and gas services provided by XOOM Energy Georgia, LLC ("XOOM Energy"), as well as contact information. Please also review the Terms and Conditions of Service document that accompanies this Disclosure Statement.

<b>Natural Gas Supplier Information</b>	<p><i>While XOOM Energy will supply you with natural gas, know that XOOM Energy is not affiliated with Atlanta Gas Light Company ("AGL"), which will continue to deliver that natural gas, read your meter, and make necessary repairs to its natural gas distribution facilities as your local distribution utility. XOOM Energy's charges for natural gas supply will appear on your bill separate from the charges of your local utility. XOOM Energy will not prevent a consumer from obtaining distribution and commodity sales service from another marketer or provider. Upon switching to another marketer, however, you will be responsible for all charges incurred until such switch becomes effective. For information or complaints, please contact XOOM Energy at the information provided below.</i></p> <p><i>XOOM Energy Georgia, LLC 804 Carnegie Center, Princeton, NJ 08540 1-855-203-3808 <a href="mailto:customercare@xoomenergy.com">customercare@xoomenergy.com</a> <a href="http://www.xoomenergy.com">www.xoomenergy.com</a></i></p>
<b>Price Structure</b>	<p><i>You selected a fixed price plan. See Supply Price section in this Disclosure Statement for additional details.</i></p>
<b>Supply Price</b>	<p><i>Your price for natural gas purchases will be a fixed price of \$0.6790.</i></p> <p><i>Your price for gas usage will not include state and local sales taxes, or charges imposed by AGL. Instead, those taxes or charges will appear separately on your bill. <b>Contract Term and Start Date</b>	<p><i>This is a 12 month Agreement. Upon enrollment, you will receive enrollment information, a copy of our Terms and Conditions of service and a Disclosure Statement, all of which will describe your Agreement in greater detail.</i></p> <p><i>The term of your Agreement with XOOM Energy will begin with your first meter read by AGL following your enrollment with XOOM Energy. If you are switching from another marketer in Georgia, and if you sign up by the 15th day of a given month, your switch will typically become effective on the 1st day of the next month. For example, if you enroll after the 15th day of the month, your switch may not become effective until the following month (example: sign up March 21st, your switch typically will become effective May 1st).</i></p>
<b>Budget Billing and Average Billing</b>	<p><i>XOOM Energy will offer an optional payment program designed to provide predictable billing by equalizing payments over a period of time. Budget Billing or Average Billing is available for only the XOOM Energy portion of your bill. Please see your Terms and Conditions for more details.</i></p>
<b>Deposit Requirements</b>	<p><i>XOOM Energy may require a deposit as set forth in your Terms and Conditions.</i></p> <p><i>For residential: If a deposit is required, the total amount of your deposit will not exceed \$150.</i></p> <p><i>For non-residential firm retail customer (as defined in the Terms and Conditions), any deposit will not exceed twenty (20) percent of your estimated annual billing.</i></p>

<b>Payment Policies</b>	<p><i>XOOM Energy will not send estimated bills, except when the actual meter readings are not made available, and in that event, such estimated bills will be limited to no more than two consecutive months.</i></p> <p><i>XOOM Energy may charge a service processing fee of \$4.95 for any payment processed by a XOOM Customer Care Specialist and a returned payment charge of \$35 for returned or rejected payments. You have a three-day right of rescission following the receipt of this disclosure at the time of initiating service or when informed of a change in terms or conditions. You may cancel in writing or electronically by contacting XOOM Energy at the contact information above.</i></p>									
<b>Move-in/Relocation Fees</b>	<p><i>When moving to an address within AGL's service territory, XOOM Energy will make every effort to transfer your service to your new service address, provided that you notify us within thirty (30) days of your move. If a transfer of service is not successful or you move to a location outside AGL's service territory or a territory not serviced by XOOM Energy, this Agreement will automatically terminate with no cancellation fees.
