You will continue to receive your bill from your Electric Distribution Company (EDC) that will contain your EDC's charges and your charges from XOOM Energy Pennsylvania, and your EDC will continue to provide all emergency repairs and services.

Service & Term: The Term of this Agreement will begin with your first meter read by your EDC after your enrollment is accepted, and will continue for the Contract Term / Length set forth in the accompanying Contract Summary.

Acceptance of Enrollment: These terms and conditions are subject to you meeting all requirements of XOOM and your EDC to become enrolled with XOOM. You will be promptly notified with confirmation of your switch to XOOM in writing.

Right of Rescission: You may cancel this Agreement with XOOM at any time within three (3) business days of your receipt of your disclosure statement ("Cancellation Period") without penalty or cancellation fee by calling XOOM Energy Pennsylvania, LLC at 1-888-997-8979 or by sending an email to customercare@xoomenergy.com or by contacting your EDC. Definitions:

- Generation Charge – Charges for production of electricity. Generation service is competitively priced and is not regulated by the Public Utility Commission.
- Transmission Charge – Charge for moving high voltage electricity from a generation facility to the distribution lines of an electric distribution company. The Federal Energy Regulatory Commission regulates retail transmission prices and services.

EDC Services: XOOM is an electric generation supplier and is not affiliated with your EDC. Your EDC will continue to deliver your electricity, read your meter, send your bill, and make necessary repairs. Your EDC will also respond to emergencies and provide other basic utility services as required. Please contact your EDC in the event of an emergency such as a power outage. XOOM is not an agent of your EDC and your EDC will not be liable for any of XOOM's acts, omissions, or representations.

Price: You will pay a flat monthly charge, plus taxes and fees, for your electric generation supply. The amount of your flat monthly charge will be determined by your annual historical usage as provided by your local utility and is set forth in the chart below. You will continue to be responsible for all charges assessed and billed by your EDC for electric distribution charges, and for all services your EDC provides, including any other fees or taxes specifically associated

with services it continues to provide during the term of this Agreement. Therefore, your flat monthly charge is not your total monthly amount for electricity service.

Annual Historic Usage	1-4,999 kWh	5,000-9,999 kWh	10,000-14,999 kWh	15,000-19,999 kWh	20,000-24,999 kWh
Flat Monthly Charge	\$29.99	\$59.99	\$94.99	\$124.99	\$159.99

PPL Customer Assistance Program (PPL-CAP): If you enroll in the PPL-CAP during your term and stay enrolled in that program through the end of your term, you will be returned to PPL default service at the end of your contract term.

Moving: When moving to an address within your EDC’s service territory, XOOM will make every effort to transfer your service to your new service address, provided that you notify XOOM within forty-eight (48) hours of your move. If a transfer of service is not successful or you move to a location outside your EDC’s service territory, or a territory not serviced by XOOM, this Agreement will automatically terminate at no cost to you. Failure to notify XOOM of your move will be considered a cancellation of this Agreement in accordance with its Terms.

Death or Disability: If you become disabled or die, you, or your agent or successors can terminate this Agreement by giving 48-hours’ notice to XOOM Energy.

Early Termination Fee: After this contract goes into effect, if you terminate this contract for any reason, or switch your service to a different electricity generation supplier or default service supplier prior to the end of the contract term, **you will be responsible for paying XOOM Energy an early termination fee in the amount of \$110.** This Early Termination Fee is intended not as a penalty, but simply to offset the cost of selling the unused portion of your electric power to others and estimated lost revenue that XOOM may incur from such a sale, if any, and related expenses.

Termination: XOOM may cancel this Agreement by giving fifteen (15) days written notice of its intention to terminate, if you fail to comply with any of the terms and conditions of this Agreement, including payment, regardless of whether or not the reason for termination is remedied after notice. XOOM may also cancel this Agreement immediately if there is evidence that any of the information you have provided to XOOM are or becomes untrue, or you otherwise provide fraudulent or misrepresented information. XOOM may cancel this Agreement by giving fifteen (15) days written notice if for any reason performance of this Agreement becomes materially uneconomical to XOOM, or if XOOM is otherwise unable to continue this Agreement.

Cancellation of your XOOM service may take two (2) or more billing cycles by your EDC, and while the cancellation is taking place, you are still responsible for paying XOOM for the electricity you consume.

IF YOU DO NOT PAY YOUR BILL(S) YOUR SERVICE MAY BE DISCONNECTED BY THE EDC. Your EDC will give you notice in the time frame prescribed by the Pennsylvania Utilities Commission before it disconnects your electric power service. The EDC may also disconnect your electric power service immediately and without notice in certain urgent situations such as: (a) the existence of a known dangerous condition; (b) where service is connected without authority by a person who has not made an application for service; (c) where service is reconnected without authority after disconnection for nonpayment; (d) where there has been tampering with equipment; or (e) where there is evidence of theft of service. This Agreement is automatically cancelled if the EDC returns you to EDC generation and distribution service.

Credit, Payment and Collection: Your bill will be based on monthly meter readings provided to XOOM by your EDC. If there is an error in your meter reading, XOOM will adjust its bill to you upon your EDC providing a corrected meter reading to XOOM. You represent that you are financially able and willing to fulfill the terms and conditions of this

Agreement and that you have not filed, are not in the process of filing or plan to begin any bankruptcy proceedings. Your first bill payment will be due to the EDC on the date specified in the EDC bill. If you do not pay it on time, you could be subject to interest and late charges imposed by the EDC, and your service could be disconnected by the EDC. In all events, you shall remain obligated to pay for all electricity received by you and any interest, fees and penalties incurred by XOOM. You will also be responsible for all costs, including legal fees, associated with the collection of amounts owed to XOOM.
