

SURELOCK 12 TERMS AND CONDITIONS

We Are Committed To Your Satisfaction: If you are not completely satisfied with XOOM Energy Connecticut's SureLock 12 plan for any reason, please contact us. If we are unable to resolve your concern to your full satisfaction, you may terminate this Agreement, in accordance with its terms.

Introduction: This is an agreement for Electric Generation Service from XOOM Energy Connecticut, LLC ("XOOM" or "Company" or "us"). Your Enrollment Documentation, which includes your Welcome Letter, these Terms and Conditions, and the accompanying Contract Summary set forth your agreement with XOOM ("Agreement") for electric generation supply. XOOM is licensed by the Connecticut Public Utilities Regulatory Authority (PURA) to offer and supply electric generation services in Connecticut. XOOM's license number is Docket 11-06-05. Your generation prices and charges will be set by us. The PURA regulates local utility company distribution prices and services. The Federal Energy Regulatory Commission regulates transmission prices and services.

You will continue to receive your bill from your local utility that will contain your local utility's charges and your charges from XOOM, and your local utility will continue to provide all emergency repairs and services.

Service & Term: XOOM agrees to act as your exclusive electric power supplier. The term of this Agreement will begin when your local utility switches your account to XOOM and will continue for the Contract Term set forth in the accompanying Contract Summary.

Acceptance into the Program: These terms and conditions are subject to your acceptance into the program by both XOOM and your local utility. You will be promptly notified if you are not accepted into the program.

Local Utility Services: XOOM is an independent retail supplier of electricity and is not affiliated with your local utility. Your local utility will continue to deliver your electricity, read your meter, send your bill, and make necessary repairs. Your local utility will also respond to emergencies and provide other basic utility services as required. XOOM Energy is not an agent of your local utility and your utility will not be liable for any of XOOM's acts, omissions, or representations.

Price: Your rate for electricity purchases under this Agreement will be a fixed price, per kilowatt hour. This rate is established at the time of your enrollment and is set forth in your Contract Summary, which is incorporated into this Agreement. You are responsible for all charges assessed and billed by your local utility for electric distribution charges, and for all services your local utility provides, including any other fees or taxes specifically associated with services it continues to provide during the term of this Agreement.

Renewal Notice; Notification of Changes: No later than thirty (30) days prior to the end of the term, XOOM will send you a renewal notice describing additional service plans for your consideration. If you do not choose a new service plan upon expiration of the term and do not terminate your Agreement, your Agreement will be automatically renewed under one of XOOM's available fixed rate plans at the price in effect at the time of your renewal. You will not be charged an early termination fee if you terminate such renewal no later than seven business days after receiving your first billing statement for the renewed contract. XOOM reserves the right, with thirty (30) days' notice, to amend this Agreement to adjust its service to accommodate any change in regulations, law, tariff or other change in procedure required by any third party that may affect XOOM's ability to continue to serve you under this Agreement.

Right to Rescind: You have the “Right to Rescind” this contract for three business days, which means you can cancel your request to switch your electricity service and never start service with us. You will receive a Welcome Confirmation from us, which will include this contract, and you will have until midnight of the third business day after receipt of the Welcome Confirmation to rescind this contract by contacting XOOM Energy Connecticut, LLC at 1-888-997-8979. This contract is not binding until your “Right to Rescind” period has ended with no action on your part to rescind the contract.

Your Right to Cancel: You may cancel this contract by calling XOOM at our contact information listed below, calling your local utility, or enrolling with another supplier. The utility controls the effective date of your cancellation. The effective date is usually the next date that your meter is read after the utility has processed our request to cancel your service with us. If you do cancel this contract, you may forfeit some of the rewards that we describe in your Welcome Confirmation, and you will be responsible for unpaid balances as of the cancellation date. To cancel, contact your utility or contact XOOM at 1-888-997-8979, by sending an email to customercare@xoomenergy.com, or by sending a letter via U.S. Mail to: XOOM Energy Connecticut, LLC, 11208 Statesville Road, Suite 200, Huntersville, NC 28078.

Moving: When moving to another address within your local utility’s service territory, XOOM will make every effort to transfer your service to your new service address when you move to an address within your local utility’s service territory, provided that you notify XOOM within fifteen (15) days of your move. If a transfer of service is not successful or you move to a location outside your local utility’s service territory, you may cancel this Agreement at no cost to you. Failure to notify XOOM of your move will be considered a cancellation of this Agreement in accordance with its terms.

Cost Recovery Fee: You understand and agree that in order for XOOM to offer and fulfill its fixed rate obligation to you, it has to purchase electric power in advance of usage in amounts needed to cover the full term of this Agreement. If you cancel this Agreement early, you will be responsible for paying a cost recovery fee (“Cost Recovery Fee”), set forth in the Contract Summary, which is intended not as a penalty, but simply to offset the cost of selling the unused portion of your electricity to others and estimated lost revenue that XOOM may incur from such a sale, if any, and related expenses. It will take time for your local utility company to cancel your XOOM account. During that time you agree to pay for the electricity you consume that is supplied by XOOM.

Credit, Payment and Collection: Your bill will be based on monthly meter readings provided to XOOM by your local utility. If your local utility is unable to read your meter, your local utility will estimate your charges based on previous usage history, and later adjust it based on actual usage shown by a meter reading. If there is an error in your meter reading, your bill will be adjusted upon your local utility providing a corrected meter reading. You will receive a single bill for both your electricity and the delivery of such electricity from your utility distribution company.

Information Regarding Hardship Status: You represent that you are not currently receiving service as a "hardship customer." Connecticut law defines a hardship customer as: (i) A customer receiving local, state or federal public assistance; (ii) a customer whose sole source of financial support is Social Security, Veterans' Administration or unemployment compensation benefits; (iii) a customer who is head of the household and is unemployed, and the household income is less than three hundred per cent of the poverty level determined by the federal government; (iv) a customer who is seriously ill or who has a household member who is seriously ill; (v) a customer whose income falls below one hundred twenty-five per cent of the poverty level determined by the federal government;

and (vi) a customer whose circumstances threaten a deprivation of food and the necessities of life for himself or dependent children if payment of a delinquent bill is required.

If you become a “hardship customer” while taking service from XOOM Energy under this Agreement, you understand that XOOM Energy will cancel your enrollment and switch your account back to the local utility’s standard default service after the next meter read date.

Net Metering: Net metering refers to customers who sell electricity they produce, typically through a rooftop solar panel, back to the utility for credit. If you are a net metering customer, you should not enroll with XOOM because your net metering agreement will not transfer to XOOM once you enroll. Failure to notify XOOM that your account is subject to net metering may result in immediate return to Default Service of your account.

Miscellaneous: You will promptly notify XOOM if there is any material change in your energy consumption. For the purpose of accounting, both parties accept the quantity, quality and measurements determined by your local utility. Except as provided by law, you will pay all taxes or other fees due and payable with respect to customer obligations under this Agreement. This Agreement shall be governed by the laws of the state of North Carolina without recourse to such states choice of law rules. There may be a delay before your local utility switches your electricity supply to XOOM. XOOM is not responsible for any such delays.

Limitation of Liability and Warranty: XOOM WILL NOT BE RESPONSIBLE FOR ANY SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES WHATSOEVER. XOOM DOES NOT PROVIDE ANY TYPE OF WARRANTY, EXPRESS OR IMPLIED, AND TO THE FULL EXTENT OF THE LAW, DISCLAIMS ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Force Majeure/Uncontrollable Circumstances: XOOM will not be responsible for supplying electricity in the event of circumstances beyond its control such as events of Force Majeure, including but not limited to, acts of terrorism, sabotage, or acts of God. XOOM may cancel this Agreement if there is any change in regulation, law, pricing structure, tariff, or change in procedure required by any third party that results in XOOM being prevented, prohibited, or frustrated from carrying out the terms of this Agreement. XOOM may cancel this Agreement if your usage of electric power changes substantially.

Entire Agreement: Your Enrollment Documentation including Confirmation Email, Welcome Letter, Contract Summary and accompanying Terms and Conditions will constitute your Agreement between you and XOOM with respect to its subject matter and superseding all prior written and oral Agreements and representations made with respect to such subject matter.

Assignment or Transfer of Contract: You hereby agree and give your consent to this Contract being assigned or transferred to another supplier. The assignment or transfer of this Contract will maintain all contractual terms and conditions, including pricing, through the term of this Contract. XOOM will send you, both by U.S. mail and by e-mail, a “Notice of Assignment” at least 45 days prior to the intended assignment. If you do not consent to assignment or transfer of this Contract, you will not be eligible to enroll with XOOM
