

SIMPLEFLEX TERMS AND CONDITIONS

Electricity Supply Service: This Terms and Conditions (“Terms and Conditions” or “Agreement”) explains the terms and conditions that apply to your purchase of electricity from XOOM Energy Maryland, LLC (“XOOM,” “Company,” “we,” or “us”). XOOM is an independent retail marketer of electricity licensed (License No. IR-2445) by the Maryland Public Service Commission (“Commission”) to supply electricity to customers in the State of Maryland. XOOM’s prices are not regulated by the Commission, and XOOM is not affiliated with your local distribution utility (“Local Utility”). By accepting electric service from XOOM, you are entering into a contract with us, you will be bound by this Agreement, and you represent and warrant that the electricity supply being purchased pursuant to this Agreement will be used solely for residential purposes. **Note: Recipients of home energy assistance are not eligible to enroll on this product and this contract is not approved for that use. Your signature to this agreement affirms that you are not receiving, and have not received during the previous fiscal year, energy assistance from an energy assistance program.**

We Are Committed To Your Satisfaction: If you are not completely satisfied with XOOM’s SimpleFlex plan for any reason, please contact us. If we are unable to resolve your concern to your full satisfaction, you may terminate this Agreement, in accordance with the terms contained herein.

Service & Term: XOOM agrees to act as your exclusive electric power supplier. The Term of this Agreement will begin when your Local Utility switches your account to XOOM and will continue on a month-to-month basis.

Acceptance into the Program: These terms and conditions are subject to your acceptance into the program by both XOOM and your Local Utility. You will be promptly notified upon acceptance or if you are not accepted into the program.

Local Utility Services: Your Local Utility will continue to deliver your electricity, read your meter, send your bill, and make necessary repairs. Your Local Utility will also respond to emergencies and provide other basic utility services as required. XOOM is not an agent of your Local Utility and your Local Utility will not be liable for any of XOOM’s acts, omissions, or representations.

Price: XOOM will calculate your monthly electricity bill by multiplying (i) the price of electricity per kilowatt hour (“kWh”) by (ii) the amount of electricity used during the billing cycle. Your price per kWh will be a variable price that may change on a monthly basis. Your variable rate may fluctuate and may be higher or lower than your local utility. Your rate is based upon a number of factors, which may include but not be limited to, the fluctuation of wholesale commodity costs or other components of wholesale prices (including but not limited to capacity related costs, fluctuations in energy supply and demand, and weather patterns) and XOOM’s pricing strategies. XOOM cannot guarantee savings over your Local Utility’s rates for any given month or for the entire term of this Agreement. There is not a limit on how much the price may change from one billing cycle to the next. Your price does not include, and you will be required to pay, applicable taxes and fees. You may also be requested to pay a monthly administrative fee. Your price also does not include your Local Utility’s charges, for which you are responsible. XOOM will post on its website your rate for your next billing period at least twelve days prior to the close of your billing period. You can access your rate for your next billing period by visiting the XOOM Energy Maryland website at <https://xoomenergy.com/en/maryland-variable-rates>. Recipients of home energy assistance will not be charged a termination fee.

Termination and Moving: You may cancel your acceptance of the Agreement with XOOM at any time within three (3) business days of your enrollment authorization and receipt of this Agreement without penalty or cancellation fee by calling XOOM at 1-888-997-8979 or by sending an email to customercare@xoomenergy.com.

When moving to an address within your Local Utility's service territory, XOOM will make every effort to transfer your service to your new service address, provided that you notify XOOM within fifteen (15) days of your move. If a transfer of service is not successful or you move to a location outside your Local Utility's service territory, you may cancel this Agreement at no cost to you. Failure to notify XOOM of your move will be considered a cancellation of this Agreement in accordance with its terms. It will take time for your Local Utility to cancel your XOOM account. During that time you agree to pay for the electricity you consume that is supplied by XOOM.

Termination by Customer or XOOM: You may terminate this Agreement at any time.

XOOM may terminate this Agreement upon thirty (30) days' written notice.

Note: Your local utility is required by law to notify us if you begin receiving energy assistance through an approved program. If you are so identified by your utility or otherwise, we will notify you that your contract will be promptly cancelled early, and your service will be switched to your local utility's standard offer supply service. You will not be charged a cancellation fee. Once so identified: (i) we will continue to charge you your current contract price for the remainder of your service unless your local utility's standard offer price is lower; and (ii) you will forfeit the ability to earn any awards from us.

Credit, Payment and Collection: You will receive a single bill for both your electricity and the delivery of such electricity from your Local Utility. Payment is due by the date set forth on the invoice ("Payment Date"). You represent that you are financially able and willing to fulfill the terms and conditions of this Agreement and that you have not filed, are not in the process of filing nor plan to begin any bankruptcy proceedings. Payment is due at the date set forth in the invoice and in accordance with the utility's tariff. XOOM may terminate your commodity service and may suspend services under procedures approved by law. In all events, you shall remain obligated to pay for all electricity received by you and any interest, fees and penalties incurred by XOOM. You will also be responsible for all costs, including legal fees, associated with the collection of amounts owed to XOOM.
