

SIMPLECLEAN 12 TERMS AND CONDITIONS

Electricity Supply Service: This Terms and Conditions (“Terms and Conditions” or “Agreement”) explains the terms and conditions that apply to your purchase of electricity from XOOM Energy Maryland, LLC (“XOOM,” “Company,” “we,” or “us”). XOOM is an independent retail marketer of electricity licensed (License No. IR-2445) by the Maryland Public Service Commission (“Commission”) to supply electricity to customers in the State of Maryland. XOOM’s prices are not regulated by the Commission, and XOOM is not affiliated with your local distribution utility (“Local Utility”). By accepting electric service from XOOM, you are entering into a contract with us, you will be bound by this Agreement, and you represent and warrant that the electricity supply being purchased pursuant to this Agreement will be used solely for residential purposes. **Note: Recipients of home energy assistance are not eligible to enroll on this product and this contract is not approved for that use. Your signature to this agreement affirms that you are not receiving, and have not received during the previous fiscal year, energy assistance from an energy assistance program.**

We Are Committed To Your Satisfaction: If you are not completely satisfied with XOOM's SimpleClean 12 program for any reason, please contact us. If we are unable to resolve your concern to your full satisfaction, you may terminate this Agreement, in accordance with its terms.

Service & Term: XOOM agrees to act as your exclusive electric power supplier. The term (“Term”) of this Agreement will begin on your next meter read date after your Local Utility processes your enrollment with XOOM and will continue for twelve (12) months. After the initial Term, this Agreement will automatically renew in accordance with the **“Automatic Renewal; Notification of Changes”** section, below, and remain in effect until terminated by you or in writing by XOOM as provided in this Agreement. You will receive a written notice forty-five (45) days before the end of your initial Term.

Acceptance into the Program: These terms and conditions are subject to your acceptance into the program by both XOOM and your Local Utility. You will be promptly notified upon acceptance or if you are not accepted into the program.

Local Utility Services: Your Local Utility will continue to deliver your electricity, read your meter, send your bill, and make necessary repairs. Your Local Utility will also respond to emergencies and provide other basic utility services as required. XOOM is not an agent of your Local Utility and your utility will not be liable for any of XOOM’s acts, omissions or representations.

Price: XOOM will calculate your monthly electricity bill by multiplying (i) the price of electricity per kilowatt hour (“kWh”) by (ii) the amount of electricity used during the billing cycle. Your price per kWh will be a fixed price of \$0.0909 per kWh. Your price does not include, and you are required to pay, applicable taxes and fees. You may also be required to pay a monthly administrative fee. Your price also does not include your Local Utility’s charges, for which you are responsible. Your Local Utility’s rate for standard offer electricity service likely will change from time to time and, therefore, XOOM cannot guarantee savings over the Local Utility’s rates for the entire term of this Agreement. Recipients of home energy assistance will not be charged a termination fee.

Product Information: 50% of your electricity usage will be supported by renewable generation facilities through the purchase of Renewable Energy Credits (“RECs”). Electricity is the product of a mix of generation energy sources that is delivered over a system of wires. You will not have electricity from a specific generation facility

delivered directly to your service address, but XOOM ensures that the applicable percentage of your electricity usage is offset by the generation of energy from renewable resources on an annual basis. XOOM's 50% renewable energy product includes Maryland's annual renewable energy portfolio standards ("RPS") obligation. For more information about renewable energy, including RECs and Maryland's RPS obligation, please visit <http://xoomenergy.com/en/faq/maryland>.

Automatic Renewal; Notification of Changes: Subject to governing law, XOOM can renew this Agreement with new or revised Terms. No later than forty-five (45) days prior to the end of the initial Term, XOOM will send you a renewal notice describing your renewal options, in the event XOOM elects to renew this Agreement. This Agreement will automatically renew at the fixed rate or variable rate then in effect in accordance with the notice.

Termination by Customer: You may cancel your acceptance of the Agreement with XOOM at any time within three (3) business days of your enrollment authorization and receipt of this Agreement without penalty or cancellation fee by calling XOOM at 1-888-997-8979 or by sending an email to customercare@xoomenergy.com.

The effective date of your termination will be the next applicable meter read date which the switch becomes effective. Your obligations under this Agreement will end when your account balance is paid in full.

Should you terminate this Agreement, you will have the option of returning to your Local Utility's standard offer service or choosing another electricity supplier. If you cancel this Agreement before the term of the Agreement is completed, XOOM reserves the right to deny you subsequent enrollment in any XOOM supply service.

Termination by XOOM: XOOM may terminate this Agreement upon (30) days' written notice.

The effective termination date will occur on the next applicable meter read date after any applicable notice period. Upon termination by XOOM, you will be returned to the Local Utility's standard offer service or you may choose another electricity supplier. Your obligations under this Agreement will end when your account balance is paid in full. If we terminate this Agreement for non-payment by you, you shall be responsible for any applicable Early Termination Fee.

Note: Your local utility is required by law to notify us if you begin receiving energy assistance through an approved program. If you are so identified by your utility or otherwise, we will notify you that your contract will be promptly cancelled early, and your service will be switched to your local utility's standard offer supply service. You will not be charged a cancellation fee. Once so identified: (i) we will continue to charge you your current contract price for the remainder of your service unless your local utility's standard offer price is lower; and (ii) you will forfeit the ability to earn any awards from us.

Changes to the Agreement: XOOM may make changes to any term or condition in this Agreement at any time except for the electricity price. We will notify you of any material change to the Agreement in writing at least forty-five (45) days before any such change be applied to your bill or take effect. If you do not terminate the Agreement before the effective date of the change, the change will become effective on the date stated in the notice.

Notwithstanding any other provision in this Agreement, XOOM reserves the right to change the electricity price in this Agreement upon the occurrence of any event beyond XOOM's reasonable control that increases our obligations or the cost of performing such obligations under this Agreement. If we request such a change, XOOM will provide you notice of the changed price and you will have an opportunity to terminate this Agreement without any further obligation by notifying us in writing within fifteen (15) days after receiving notice of the new price, in

which case your electricity supply service will terminate effective as of the next meter read date after expiration of the required notice period. You will remain responsible for any unpaid balance as of the termination date but we will not assess the Early Termination Fee.

Moving: When moving to an address within your Local Utility's service territory, XOOM will make every effort to transfer your service to your new service address when you move to an address within your Local Utility's service territory, provided that you notify XOOM within fifteen (15) days of your move. If a transfer of service is not successful or you move to a location outside your Local Utility's service territory, you may cancel this Agreement at no cost to you. Failure to notify XOOM of your move will be considered a cancellation of this Agreement in accordance with its terms.

Early Termination Fee: You understand and agree that in order for XOOM to offer and fulfill its fixed rate obligation to you, it has to purchase electric power in advance of usage in amounts needed to cover the full term of this Agreement. If you terminate this Agreement early, you will be responsible for paying an early termination fee ("Early Termination Fee") of \$110 which is intended not as a penalty, but simply to offset the cost of selling the unused portion of your electricity to others and estimated lost revenue that XOOM may incur from such a sale, if any, and related expenses. It will take time for your Local Utility to cancel your XOOM account. During that time you agree to pay for the electricity you consume that is supplied by XOOM.

Credit, Payment and Collection: You will receive a single bill for both your electricity and the delivery of such electricity from your utility distribution company. Payment is due by the date set forth on the invoice. You represent that you are financially able and willing to fulfill the terms and conditions of this Agreement and that you have not filed, are not in the process of filing nor plan to begin any bankruptcy proceedings. Payment is due at the date set forth in the invoice and in accordance with the utility's tariff. XOOM may terminate your commodity service and may suspend services under procedures approved by law. In all events, you shall remain obligated to pay for all electricity received by you and any interest, fees and penalties incurred by XOOM. You will also be responsible for all costs, including legal fees, associated with the collection of amounts owed to XOOM.
