Service & Term: XOOM Energy Delaware, LLC ("XOOM" or "Company") agrees to act as your exclusive electric power supplier. The Initial Term of this Agreement will begin on the date your RescueLock 12 enrollment is processed by your local utility following your acceptance into the RescueLock 12 program and will continue for twelve (12) months as set forth in your Contract Summary.

Acceptance into the Program: These terms and conditions are subject to your acceptance into the program by both XOOM Energy and your local utility. You will be promptly notified if you are not accepted into the program.

Local Utility Services: XOOM Energy is an independent retail marketer of electricity and is not affiliated with your local utility. Your local utility will continue to deliver your electricity, read your meter, send your bill, and make necessary repairs. Your local utility will also respond to emergencies and provide other basic utility services as required. XOOM Energy is not an agent of your local utility and your utility will not be liable for any of XOOM's acts, omissions, or representations.

Price: Your rate for electricity purchases will be a fixed price of \$0.1019 per kWh, plus taxes and fees, if applicable, as set forth in your Contract Summary which is incorporated into this Agreement. You are responsible for all XOOM Energy supply charges, which are included in your XOOM Energy supply price, and all other applicable utility charges and taxes, which are not included in your price. You will continue to be responsible for all charges assessed by your local utility for all services it provides, including any other fees or taxes specifically associated with services it continues to provide during the term of this Agreement.

Renewal Notice, Notification of Changes: Subject to governing law, XOOM energy can renew this Agreement with new or revised terms. No later than forty-five (45) days prior to the end of the Initial Term, XOOM Energy will send you a renewal notice describing your renewal options, in the event XOOM Energy elects to renew this Agreement. This Agreement may automatically renew at the fixed price or variable price then in effect as specified in the renewal notice. XOOM Energy reserves the right, with thirty (30) days' notice, to amend this Agreement to adjust its service to accommodate any change in regulations, law, tariff or other change in procedure required by any third party that may affect XOOM Energy's ability to continue to serve you under this Agreement.

Termination by XOOM: XOOM Energy may cancel or terminate the Agreement early for any reason, or no reason, without penalty, with thirty (30) days advance written notice. Termination becomes effective when the local utility processes of XOOM's cancellation request. You shall be obligated to pay for the electricity supply service provided by XOOM pursuant to this agreement prior to the date cancellation becomes effective, including any applicable local utility late fees, and other fees and charges. Should XOOM terminate the Agreement, you will be returned to your local electric utility's default electricity supply service unless you choose a different supplier. Should an early cancellation occur, you may utilize the dispute resolution procedures identified in this Agreement.

Termination by Customer: You may terminate this Agreement at any time. However, if you terminate before the expiration of the Initial Term or before the expiration of any renewal term, a Cost Recovery Fee will apply in

accordance with the Cost Recovery Fee section below. To terminate, please contact XOOM's Customer Care Center at 1-888-997-8979 or by email at customercare@xoomenergy.com. If you terminate this Agreement, you will be returned to your local electric utility's default electricity supply service unless you choose a different supplier.

You have three (3) business days from the start of your rescission period to rescind this Agreement without penalty. The start of the rescission period will depend on your method of enrollment as follows: (1) for written contracts, the rescission period will begin when you sign the contract; (2) for electronic enrollments, the rescission period will begin when you submit your enrollment; and (3) for telephone enrollments, the rescission period will begin when you receive the copy of your contract and contract summary (by electronic mail or U.S. Mail).

Relocation Outside of Your Local Utility's Service Territory: If you move to a location outside your local utility's service territory, you may cancel this Agreement and you will not incur a Cost Recovery Fee, provided that you send XOOM written notice of your move, including your new address. Failure to notify XOOM of your move will be considered a termination of this Agreement in accordance with its terms.

Cost Recovery Fee: You understand and agree that in order for XOOM to offer and fulfill its fixed rate obligation to you, it has to purchase electricity in advance of usage in amounts needed to cover the full term of this Agreement. If you cancel this Agreement early, you will be responsible for paying a cost recovery fee ("Cost Recovery Fee") of \$110 as set forth in your Contract Summary which is incorporated into this Agreement. The Cost Recovery Fee is intended not as a penalty, but simply to offset the cost of selling the unused portion of your electricity to others and estimated lost revenue that XOOM may incur from such a sale, if any, and related expenses. As explained in the Relocation section above, you will not be charged a Cost Recovery Fee if: (1) you move to an address within your local utility's service territory and we are able to transfer service to your new location; or (2) you move outside of your local utility's service territory.

Credit, Payment and Collection: You will receive one bill each month from your local utility. Your bill will include both your local utility's charges and XOOM's supply charges, and will be based on monthly meter readings provided to XOOM by your local utility. If there is an error in your meter reading, XOOM will adjust its bill to you upon your local utility providing a corrected meter reading to XOOM. You represent that you are financially able and willing to fulfill the terms and conditions of this Agreement and that you have not filed, are not in the process of filing, and do not plan to begin any bankruptcy proceedings. Bills not paid by their due date are subject to a late payment fee at the greater of the rate of 1.5%, or the maximum permitted by law, based on your total outstanding balance per month. XOOM Energy will charge a \$35 return check fee for all returned checks. XOOM Energy may terminate this Agreement with thirty (30) days written notice for non-payment. In all events, you shall remain obligated to pay for all electricity received by you and any interest, fees and penalties incurred by XOOM Energy. You will also be responsible for all costs, including legal fees, associated with the collection of amounts owed to XOOM Energy.

XOOM may cancel this Agreement if your usage of electric power changes substantially.

Entire Agreement: This Agreement, together with the Enrollment form, Contract Summary, and/or Welcome letter, constitute the entire Agreement and understanding between you and XOOM with respect to the subject matter of this Agreement, superseding all prior written and oral agreements and representations made with respect to the subject matter.
