Contact Information: You may contact XOOM directly by calling **1-888-387-0932** during our service hours Monday – Friday 8am-11pm. Saturday – 9am-7pm EST; by sending a letter to: XOOM Energy Texas, LLC, 717 W Main Street, Suite 2, Midlothian, Texas 76065 or by sending an email to customercare@xoomenergy.com. XOOM's REP Certificate Number is: 10203.

Service & Term: The purpose of this Contract is to switch your power provider to XOOM Energy Texas, LLC ("XOOM" or "Company") as your exclusive electric power supplier. Your Contract with XOOM includes these Terms of Service, your enrollment authorization in writing, by telephone or the internet, the Electricity Facts Label (EFL), the Prepay Disclosure Statement (PDS), and the "Your Rights as a Customer" disclosure document, as they may be amended from time to time ("Contract"). By accepting electric service from XOOM, you are entering into a contract with XOOM and will be bound by these Terms of Service. Your Contract term is stated in your EFL.

Price: Your prepaid service will begin on the first meter reading date set by your TDU. You agree to pay the initial price indicated in the EFL. All future electricity usage will be invoiced at the price in effect at the time of the billing. Charges for the electricity you consume, as well as any other applicable charges will be deducted daily from your account balance. Your electric service will continue until your account balance has been depleted or until service is terminated. You agree to pay any Taxes and any fees charged by any governmental entity.

Right of Rescission: You may cancel your acceptance of this Contract with XOOM without penalty or fee by contacting XOOM before midnight, central time, of the third federal business day after the date of your enrollment authorization and receipt of the Contract documents ("Cancellation Period"). The right of rescission does not apply if you are requesting a move-in. You may cancel your contract during the Cancellation Period by calling XOOM Energy Texas at 1-888-387-0932 or by sending an email to customercare@xoomenergy.com.

Termination: Your Contract term is stated in your EFL. At the end of your Contract term, you may terminate or cancel your Contract by switching to a new provider. Any Third Party Services that are included on your bill will automatically terminate when your electric service Contract with XOOM is cancelled. If you cancel or terminate the contract before the end of your contract term, you agree to pay the penalty or fee for early cancellation indicated in the EFL, if any, and you must select another REP to continue to receive electric service.

XOOM's obligations will end after the meter read date where we are no longer designated as your REP or when your electric service is disconnected by the TDSP. Your obligations under the contract will end when your account balance is paid in full.

Moving: When moving to an address within your local utility's service territory, XOOM will make every effort to transfer your services to your new address as long as you notify XOOM within 3 business days of your move. You also have the right to cancel without penalty if you move to another location and provide notice of your move within

3 business days of your move as long as you provide evidence of the move, such as a forwarding address and any other reasonable evidence that you no longer occupy the service location. Failure to notify XOOM of your move will be considered a cancellation of this Contract and you will remain responsible for payment of all outstanding balances and charges on your account until service is terminated.

XOOM does not have control over, and shall not be responsible for, any delay, failure or inability by the TDSP, ERCOT, or any other entity that is responsible for performing actions necessary to discontinue service in your name. If a transfer of service is not successful or you move to a location outside your local utility service territory, or a territory not serviced by XOOM, this Contract will automatically terminate at no cost to you. You may incur additional charges for anything other than non-standard moves.

Preferred Method of Electronic Communications: You understand that XOOM will communicate with you via email and/or text messages, depending on the nature of the communication. Additionally, XOOM will send important notifications via US mail as required. XOOM will send you brief, time sensitive notifications via text message but will send longer communications to you via email. Time sensitive notifications may include but are not limited to, low balance alerts, payment confirmations and other important account activities or required contract notices. Longer, less time sensitive communications may include but are not limited to order confirmation, enrollment confirmation, contract documents and monthly account summaries. You are solely responsible for all charges, fees and taxes that may be imposed by the carrier of your home phone, cell phone, email or internet service you use to receive XOOM's notifications.

It is your obligation to ensure that your designated electronic communications devices are in working order and information related to such device (cellular number and email address) is kept up to date with XOOM and you are responsible for contacting XOOM's Customer Service to provide us with updated and/or corrected contact information if it has changed. XOOM is not obligated to resend notifications to you, even if the notice could not be delivered for any reason.

Disconnection of Your Electric Services: If you fail to remit payment in accordance with this Contract, XOOM may order the TDSP to disconnect electric service to you. As discussed above, XOOM will provide you with warning notices via email, and/or text message as indicated on upon your enrollment at least one (1) day and not more than seven (7) days prior to your balance dropping to \$10.00.

Even if you are disconnected for nonpayment, you remain liable to XOOM for all billed amounts and any charges associated with disconnection of service for nonpayment and reconnection. XOOM reserves the right to pursue all legal remedies available to us to collect any amounts lawfully owed. In the event you fail to pay your bill in accordance with this Contract, you agree to pay reasonable collection costs and expenses (including attorney's fees and third party collection fees) XOOM incurs as a result of XOOM's attempt to collect any amounts you owe.

Initial Balance: As a prepay customer, XOOM requires you to establish an initial balance which will be depleted as you use electricity. XOOM therefore requires customers to deposit a minimum of seventy-five dollars (\$75.00) as an initial balance. We may also charge a five dollar (\$5.00) connection fee.

Eligibility: To qualify for pre-paid service, you must have a Smart Meter installed in your home, provide XOOM with an active email address and text-enabled cell phone to receive important notifications from us about your account. You do not qualify if you are on a Critical Care or Chronic Condition plan as described below.

Disconnection Balance: After termination of this Contract, if your account balance is positive by more than five

dollars (\$5.00) XOOM will either credit the funds back to the credit or debit card used to make the payment, or mail a check in the name on the account to the current billing address that is listed on the account at the time of cancellation.

Credit, Payment and Collection: You will not receive an invoice from us. In order to maintain electric service, you must make a payment before your account balance is exhausted. XOOM accepts online payments, payments by telephone, and payments made from authorized pre-paid centers. Other payment methods are not accepted and will not prevent a service disconnection. All payments will be credited to your current account to replenish any negative balance, and/or increase any positive balance. XOOM may charge an Online Payment Convenience Fee of up to \$3.99 for each non-recurring payment made online. The fee will not be assessed to automated recurring payments.

If you receive a disconnection notice XOOM may also charge you a Disconnect Recovery Charge of \$15.00 if you fail to maintain the minimum account balance as required before the date your service is subject to disconnection as stated in the disconnection notice. XOOM may also pass thru any fees charged by any Third Party Service providers. This charge will apply regardless of whether your electric service is actually disconnected.

If your account balance ends up in deficit of more than \$50 during moratorium, you will be responsible for making deferred payments, where 50% of deposits go to deficit, and 50% go to current charges.

XOOM may put a switch-hold on your account. A switch-hold means that you will not be able to buy electricity from other companies until you pay the past amount due or the total deferred balance, as applicable. If XOOM puts a switch-hold on your account, it will be removed after this payment or total deferred balance, as applicable, is paid and processed. While a switch-hold applies, if you are disconnected for not paying, you will need to pay XOOM to get your electricity turned back on.

XOOM reserves the right to adjust your charges. XOOM may calculate charges based on estimated meter readings absent actual meter readings from TDSP or ERCOT. Once actual meter reading(s) are received, XOOM will make adjustments on your account balance.

If you agree to purchase other products or services from XOOM or you purchase products or services that are offered by XOOM but provided from third parties (Third Party Services), you acknowledge that the charges on your XOOM account may include the charges for those products and services. XOOM will apply all payments you make first to the amounts you owe XOOM for electric services.

XOOM will charge \$35.00 for each payment transaction that is returned unpaid or not processed including: 1) returned checks, 2) returned electronic fund transfers, and 3) rejected credit card transactions. This charge will be reflected as Returned Payment Charge on your statement, if applicable. We may also charge a \$15.00 Disconnect Recovery Charge if you fail to pay the past due amount before the expiration date of any disconnection notice issued by XOOM. In all events, you shall remain obligated to pay for all electric power received by you and any interest, fees and penalties incurred by XOOM. You will also be responsible for all costs, including legal fees, associated with the collection of amounts owed to XOOM.

XOOM will charge a Document Processing Fee of \$1.99 for each request for a paper copy of your Summary of Usage and Payment Document or other account documentation.

Anti-Discrimination: XOOM cannot deny service for services based on your race, creed, color, national origin,

ancestry, sex, marital status, lawful source of income, level of income, disability, familial status, location in an economically distressed geographic area, or qualification for low income or energy efficiency services.
