

## STEADYLOCK 12 TERMS AND CONDITIONS

**We Are Committed To Your Satisfaction:** If you are not completely satisfied with XOOM Energy Ohio’s SteadyLock 12 program for any reason, please contact us. If we are unable to resolve your concern to your full satisfaction, you may terminate this Agreement, in accordance with its terms.

**Service & Term:** XOOM Energy Ohio, LLC (“XOOM”) agrees to act as your exclusive electricity supplier and will provide competitive retail electricity service to you. The Term of this Agreement will begin on the next available meter read date after processing of the request by XOOM and your electric utility, and will continue for the Contract Term set forth in the accompanying Contract Summary, which is incorporated into this Agreement.

The flat monthly charge is only available to qualifying residential customers with a specified annual historical usage amount set forth in the chart below. If you do not qualify for the flat monthly charge based on your historical usage and/or customer class, or if no historical usage data is provided by your local utility, you will instead be placed on a one (1) month, variable rate interim product, as set forth in the Interim Variable Price and Term section below. Upon the expiration of your one (1) month variable rate interim product, you will be automatically returned to your local utility. If you are placed on a one (1) month variable rate interim product, you may cancel at any time during your one (1) month term of service with no Cost Recovery Fee by contacting XOOM.

**Acceptance into the Program:**These terms and conditions are subject to your acceptance into the program by both XOOM and your local utility. You will be promptly notified if you are not accepted into the program. Switching fees may apply to you under your local utility’s tariff if you are accepted into the program by both XOOM and your local utility.

**Local Utility Services:**XOOM is an independent retail marketer of electricity and is not affiliated with your local utility. Your local utility will continue to deliver your electricity, read your meter, send your bill, and make necessary repairs. Your local utility will also respond to emergencies and provide other basic utility services as required. XOOM is not an agent of your local utility and your utility will not be liable for any of XOOM’s acts, omissions or representations.

**Flat Monthly Charge:**If you are a residential customer with an annual historical usage amount specified in the chart below, you will qualify to pay a flat monthly charge, plus taxes and fees, for your electricity supply. The amount you will pay for your flat monthly charge will be determined by your annual historical usage as provided by your local utility and is set forth in the chart below. You will continue to be responsible for all charges assessed by your local utility for all services it provides, including any other fees or taxes specifically associated with services it continues to provide during the term of this Agreement. Therefore, your flat monthly charge is not the total amount you will pay each month for electricity service. If you do not qualify for the flat monthly charge based on your historical usage and/or customer class, or if no historical usage data is provided by your local utility, you will instead be placed on a one (1) month, variable rate interim product, as set forth in the Interim Variable Price and Term section below.

<b>Annual Historic Usage</b>	1 - 4,999 kWh	5,000 - 9,999 kWh	10,000 - 14,999 kWh	15,000 - 19,999 kWh	20,000 - 24,999 kWh
<b>Flat Monthly Charge</b>	\$29.99	\$54.99	\$84.99	\$109.99	\$134.99

**Interim Variable Price and Term:**If you do not qualify for the flat monthly charge based on your historical usage and/or customer class, or if no historical usage data is provided by your local utility, you will instead be placed on a one (1) month, variable rate interim product. Upon the expiration of your one (1) month variable rate interim product, you will be automatically returned to your local utility. A variable rate means that your rate for energy purchases will be

a variable rate, per kilowatt hour, that may change on a monthly basis, plus taxes and fees, if applicable. Your variable rate may fluctuate and may be higher or lower than your local utility. Your rate is based upon a number of factors, which may include but not be limited to, the fluctuation of wholesale commodity costs or other components of wholesale prices (including but not limited to capacity related costs, fluctuations in energy supply and demand, and weather patterns) and XOOM's pricing strategies. You are responsible for all charges assessed and billed by your local utility for all applicable utility charges, which are not included in your rate. If you are placed on a one (1) month variable rate interim product, you may cancel at any time during your one (1) month term of service with no Cost Recovery Fee by contacting XOOM.

**Participation in PIPP and Credit Arrearage Programs:** Participation in the Percentage of Income Payment Program ("PIPP") administered by your utility may affect your eligibility to take service from a competitive retail electric service provider. You represent that you are not currently approved for or enrolled in PIPP or any such utility program.

**Renewal Notice; Notification of Changes:** Subject to governing law, XOOM can renew this Agreement with new or revised Terms. No later than forty-five (45) days prior the end of the term, XOOM will send you renewal notices, at least two, describing additional service plans for your consideration, in the event XOOM elects to renew this Agreement. If you decide not to choose a new service plan upon the expiration of the term, this Agreement will automatically renew at a variable rate that will continue on a month-to-month basis, in accordance with the notices. XOOM reserves the right, with thirty (30) days' notice, to amend this Agreement to adjust its service to accommodate any change in regulations, law, tariff, other change in procedure required by any third party that may affect XOOM's ability to continue to serve you under this Agreement, or to make other changes as XOOM sees fit. To the extent XOOM should amend for any reason other than a change in regulations, law, tariff or other change in procedure required by any third party that may affect XOOM's ability to continue to serve you under this Agreement, you will have the right to cancel this Agreement by providing written notice to XOOM within thirty (30) days of the date of the notice. XOOM will not make material changes to your contract without your consent.

**Termination, Moving:** You may cancel your acceptance of the Agreement with XOOM at any time within seven (7) calendar days following the postmark date on the utility's confirmation notice without penalty or cancellation fee by calling or writing your local utility.

You agree to notify XOOM when you move your service address within fifteen (15) days of your move. XOOM reserves the right to terminate this Agreement if you move from your current premise to another premise either inside or outside your local utility's service territory. If you move to a location outside your local utility's service territory or within the service territory of your local utility that does not permit portability of the contract, you may cancel this Agreement at no cost to you. It will take time for your local utility company to cancel your XOOM account. During that time you agree to pay for the electricity you consume that is supplied by XOOM. This contract automatically terminates if the requested service location is not served by your local utility, you move outside of your local utility's service area or to an area not served by XOOM, or XOOM returns you to your local utility's sales service.

**Cost Recovery Fee:** You understand and agree that in order for XOOM to offer and fulfill its fixed rate obligation to you, it has to purchase electricity in advance of usage in amounts needed to cover the full term of this Agreement. If you cancel this Agreement early, you may be responsible for paying the cost recovery fee ("Cost Recovery Fee") set forth in the Contract Summary, which is intended not as a penalty, but simply to offset the cost of selling the unused portion of your electricity to others and estimated lost revenue that XOOM may incur from such a sale, if any, and related expenses. It will take time for your local utility company to cancel your XOOM account. During that time you agree to pay for the electricity you consume that is supplied by XOOM.

**Credit, Payment and Collection:** You will receive a single monthly bill for both your electricity and the delivery of such electricity from your utility distribution company. Payment is due by the date set forth on the invoice. Should you fail to pay monthly the bill or fail to meet any agreed upon payment arrangement, XOOM may terminate your contract upon fourteen (14) days written notice and your service may be terminated in accordance with your local utility's tariffs, in which case XOOM may seek cost recovery fees as set out herein. This Agreement is contingent upon a satisfactory credit review and maintenance of good credit. If you do not meet our credit standards or cannot demonstrate satisfactory credit, XOOM may require a deposit from you or may refuse to provide service. If a deposit is required, the amount shall be in compliance with any applicable Ohio statute, regulation, or other controlling authority and will be requested prior to beginning service with XOOM. XOOM will apply any cash deposit held on your behalf plus any accrued interest as determined by any applicable Ohio statute, regulation, or other controlling authority to the outstanding balance on your final bill, if applicable and any excess amount will be refunded to you. Any deposit you provide us will be held in your name in our records. We may apply any early termination fee to any deposit you have provided us. You represent that you are financially able and willing to fulfill the terms and conditions of this Agreement and that you have not filed, are not in the process of filing or plan to begin any bankruptcy proceedings. If accepted as a customer, XOOM may report your payment experience. Bills not paid by their due date are subject to a late payment fee at the greater of the rate of 1.5%, or the maximum permitted by law, based on your total outstanding balance per month. XOOM will charge a \$35 return check fee for all returned checks or the maximum allowed by law. XOOM may terminate your commodity service and may suspend services under procedures approved by law. In all events, you shall remain obligated to pay for all electricity received by you and any interest, fees and penalties incurred by XOOM. You will also be responsible for all costs, including legal fees, associated with the collection of amounts owed to XOOM. XOOM is offering budget billing for the generation portion of the bill at this time.

**Service Complaints:** For service problems or complaints, you should contact your local utility by calling: Dayton Power and Light Co. at 877.468.8243. IN THE EVENT OF AN ENERGY-RELATED EMERGENCY, SUCH AS A POWER OUTAGE OR DOWNED POWER LINE, PLEASE VACATE THE AREA BY A SAFE DISTANCE AND CALL YOUR LOCAL UTILITY or 911.

**Authorization/Representation/Letter of Agency:** By entering into this Agreement, you authorize XOOM to act on your behalf under your local utility's tariffs in accordance with the rules and regulations of the PUCO. You

acknowledge that you are your local utility account holder, or a person legally authorized to execute this Agreement on behalf of the account holder for electricity service and are at least eighteen (18) years of age. You agree to authorize XOOM to obtain your credit information and you agree to authorize your local utility to release all information relating to your historical and current electricity usage, billing and payment history to XOOM or its authorized representatives. You acknowledge that XOOM has full authority to make all rates and tariff selections necessary to meet its obligations under this Agreement. You may rescind this authorization at any time by contacting XOOM. Neither your social security number, customer account number nor any other customer financial information will be released by XOOM, except where such release is required by court order or by Commission Order or Rule, without your affirmative written consent. Execution of this Agreement shall constitute authorization for the release of this information to XOOM.

**Net Metering:** Net metering refers to customers who sell electricity they produce, typically through a rooftop solar panel, back to the utility for credit. If you are a net metering customer, you should not enroll with XOOM because your net metering agreement will not transfer to XOOM once you enroll.

**Miscellaneous:** Except as provided by law, you will pay all taxes or other fees due and payable with respect to customer obligations under this Agreement. This Agreement shall be governed by the laws of the state of Ohio without recourse to such states choice of law rules. There may be a delay before your local utility switches your electricity supply to XOOM. XOOM is not responsible for any such delays. You have the right to request from XOOM up to twenty-four (24) months of your payment history for services rendered by XOOM without charge.

If you voluntarily return to your local utility after choosing XOOM, you may be charged a price other than your local utility's regulated sales service rate.

**Limitation of Liability and Warranty:** XOOM WILL NOT BE RESPONSIBLE FOR ANY SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES WHATSOEVER. XOOM DOES NOT PROVIDE ANY TYPE OF WARRANTY, EXPRESS OR IMPLIED, AND TO THE FULL EXTENT OF THE LAW, DISCLAIMS ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

**Force Majeure/Uncontrollable Circumstances:** XOOM will not be responsible for supplying electricity in the event of circumstances beyond its control such as events of Force Majeure. XOOM Energy may be excused from performance if Force Majeure conditions arise.

**Environmental Disclosure Chart:** You can view the approximate generation resource mix and environmental characteristics of XOOM's power supplies by visiting [www.xoomenergy.com](http://www.xoomenergy.com).

**Entire Agreement:** This Agreement, including the Enrollment form and/or Welcome letter and your Contract Summary, constitute the entire Agreement and understanding between you and XOOM with respect to its subject matter and superseding all prior written and oral Agreements and representations made with respect to the subject matter.
